- Because Payors use  to find the right case, you'll never get a payment for the wrong case or county
- Accepts MasterCard and Discover, and VISA for e-plea payments
- Payors have no need to mail-in a plea = less paper for your office to process

PLEAD GUILTY.

Charge: DRIVING 1-10 MPH ABOVE LIMIT

Yes, I plead guilty to the above charge. I understand that I am entering a voluntary electronic plea of guilty which satisfies the requirement of a written plea of guilty as provided in Illinois Supreme Court Rule 529. **DO NOT APPEAR IN COURT.**

By submitting this electronic acknowledgment, I do hereby plead guilty to the charge identified herein and noted on the front side of the ticket issued to me. I understand my right to a trial, that my electronic acknowledgment to this plea of guilty will have the same force and effect as a judgment of court and that a record will be sent to the Secretary of State of Illinois (or of the State where I received my license to drive). I hereby **PLEAD GUILTY** to the said offense on the ticket, **GIVE UP** my right to trial, and agree to pay the penalty required.

DO NOT ENTER A PLEA AT THIS TIME.

Charge: DRIVING 1-10 MPH ABOVE LIMIT

I do not wish to enter an electronic plea of guilty at this time. I understand I have several other options available to me.

If you do not wish to enter an electronic plea, there are other options available to you, including:

1. **PLEAD GUILTY.**
Pay a fine by mail or in person without going to court. Convictions for traffic offenses are reported to the Secretary of State.
2. **PLEAD GUILTY AND REQUEST SUPERVISION.**
Go to court, plead guilty and request supervision. Contingent upon being eligible for and completing supervision no conviction will be entered on your record.
3. **PLEAD NOT GUILTY.**
Go to court and request a trial date.
