COMPANY PROFILE

Goodin Associates, Ltd. (GAL) was formed in 1986 as a software and support provider to the courts. Since then, its JIMS (Judicial Information Management Software) has been chosen by 81 of Illinois' 102 counties. PC JIMS PROSECUTOR, running on Windows®, was developed to serve the needs of Illinois State's Attorneys as part of an integrated suite of applications for the justice system.

PC JIMS PROSECUTOR Case Hub

- Use the Case Hub to view all cases in both PC JIMS PROSECUTOR and JIMS.
- View **Clerk's existing data in green** and cases with **State's Attorney data in blue**.
- Case History shows recently accessed cases for each user.
- Search for a case by case number, name, police report ID or ticket number.
